CROSS-GENERATIONAL WISDOM

Co-Mentoring for the Next Era of Leadership

BIOMED SA OFFICE
2040 BABCOCK RD, SUITE 100
SAN ANTONIO, TX 78299
BIOMEDSA.ORG

EXECUTIVE INSIGHT

In today's multigenerational workplace, every generation brings distinct strengths and powerful opportunities for shared growth.

This interactive workshop explores cross-generational wisdom through the lens of co-mentoring relationships that foster mutual learning, innovation, and leadership development.

Expect open dialogue about the capabilities and needs across generations.

Together, we will introduce a co-mentoring culture that helps both early-career professionals and seasoned leaders develop their leadership in an evolving world.
